ANIMAL COUNT

Counting animals and matching them to their numbers

GRADES PRE K-1

STANDARDS

- M.1.14
- M.2.10
- M.2.17
- MA.K.1.2
- MA.K.1.6
- MA.1.1.5

OBJECTIVES

- Students will be able to refine counting skills.
- Students will be able to recognize a number and correlate it to animals they counted.

PROCEDURE

- Have students count the animals in each box on the worksheet.
- Have the students draw a line from each box to the number that represents the number of animals in the box.

RECOMMENDED ASSESSMENT

- Check students' work for accuracy.
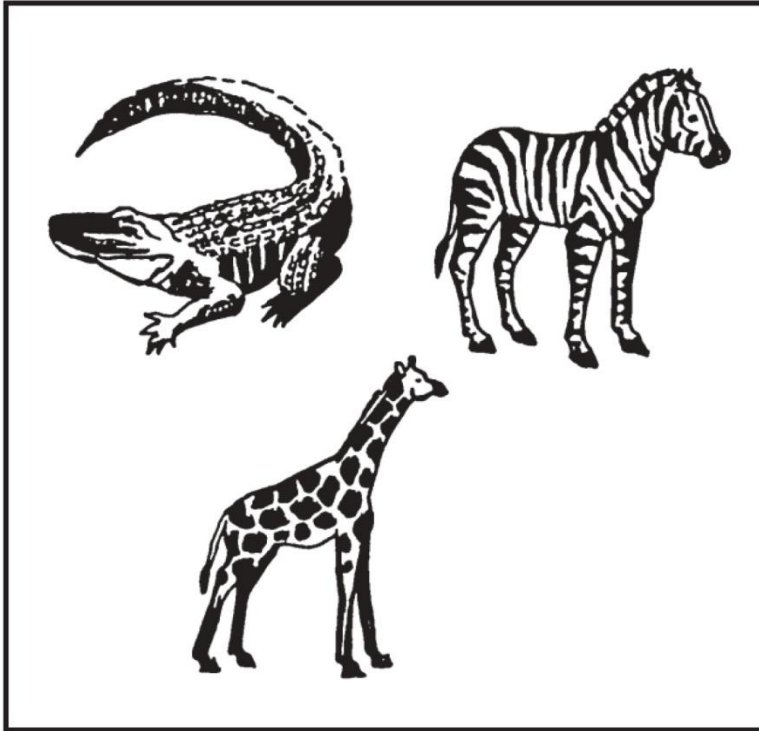

ANIMAL COUNT
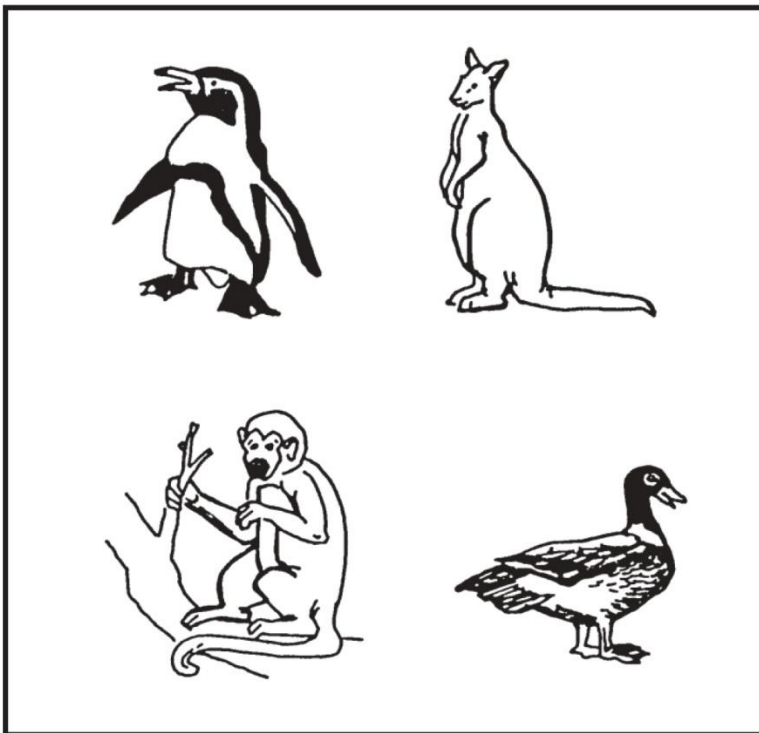

Count the animals in each box and match it to the number
