

# Animal Alphabet- African Journey

## HOW TO PLAY.

Practice your A, B, C's while you trek through the Fort Wayne Children's Zoo African Journey! Stretch tall like a giraffe while learning the "g-g-g" sound or laugh like a hyena to remember the "h-h-h" sound! Print and cut out your alphabet cards for an interactive activity. See below for a variety of questions to engage your child even further:

- ✎ What sound does this letter make?
- ✎ Can you think of other words that start with the same letter?
- ✎ How do you think this animal moves? Let's do it together!
- ✎ What sound does this animal make? Have you heard this animal before?
- ✎ Let's practice writing this letter or word together!

Although you won't find every alphabet letter in this Africa trek, be on the lookout for future Zoo Animal Alphabet sets, showcasing other letters, animals, and areas of our Zoo. Share your at-home lessons with the Fort Wayne Children's Zoo. Tag #fwkidszoo or email [education@kidszoo.org](mailto:education@kidszoo.org) to express how you used these supplemental activities!
