

WELCOME TO THE FORT WAYNE CHILDREN'S ZOO!

It's our 60th season and we're so happy to have you here. This summer we're unveiling a new area in the Zoo—Coastal Cove—where California Sea Lions will be joined by our newest addition, Harbor Seals. You'll be able to watch these flipped friends as they enjoy their expanded habitat and relax on their sun beach.

Many of our favorite furry friends have returned this season, including Ring-tailed Lemurs in African Journey. And don't forget to make reservations for the Bamboo Forest Adventure Play, where the entire family can swing, jump, zipline and explore together!

We're excited to share our new exhibits and can't wait to welcome you inside. Thank you for your support and enjoy your day at Fort Wayne Children's Zoo!

Rick Schuiteman
Zoo Director

We allow the PEAFOWL to roam freely throughout the Zoo, and that means you may encounter one on our pathways. Please give them space and listen for their loud calls.

WELCOME FIRST-TIME GUESTS

The easiest way to see everything is to always turn right at path intersections. After you visit the Capuchin Monkeys, head to the African Journey, and then the Asian Trek, and then to the Australian Adventure.

Please understand that animals may be off exhibit due to adverse weather conditions, exhibit maintenance, or for health care, and that animals may be moved during the Zoo season. Thank you.
